RE: **SUPPORT FOR TREASURE ISLAND RESOLUTIONS**
INFRASTRUCTURE AND REVITALIZATION FINANCING DISTRICT NO. 1 (IRFD)
DECEMBER 6, 2016 BOARD MEETING
File numbers 161035, 161036, 161037, 161038, 161039

Dear Supervisor Breed:

On behalf of the San Francisco Chamber of Commerce, representing more than 2,500 local businesses, we are writing to strongly urge you to support the Infrastructure and Revitalization Financing District No. 1 (IRFD) Resolutions when they come before you on December 6, 2016.

The package of IRFD Resolutions is essential for the success of the Treasure Island (TI) project, a project that the San Francisco business community has supported for many years. Now, after more than a decade of planning, the TI project is underway.

The passage of the package of IRFD Resolutions is essential to continue the progress that has already been made and to ensure that the TI affordable housing program and other public amenities can move forward. With the passage of these resolutions, thousands of hours of prevailing wage construction jobs are being created, new public amenities are underway and the City's affordable housing commitments can be met.

We strongly urge you to support the package of resolutions, file numbers 161035, 161036, 161037, 161038, 161039; when they come before you on December 6, 2016.

Thank you in advance for your anticipated support of the Treasure Island Resolutions.

Sincerely,

A handwritten signature in black ink that reads 'Jim Lazarus'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
