RE: Support SB 187 (Berryhill), 12-Month Fishing License

Dear Senator Berryhill,

The San Francisco Chamber of Commerce, representing over 2,500 businesses with over 200,000 employees across the Bay Area, supports your bill, SB 187, reforming the costly and outdated fishing license program that has contributed to a tremendous decline in the state's recreational fishing participation.

Since 1980, the number of annual licenses has dropped 55%, and California ranks last in the nation for the percentage of the population that fishes recreationally. This legislation can help reverse that trend. It establishes an annual fishing license that is valid for a full 12 months from the date of purchase, establishes a junior fishing license for 16 and 17 year-olds, and exempts charitable organizations from possession limits (the latter would replicate the new law signed by Governor Brown with the same exemption for non-profits and hunted game).

California's 2.7 million anglers generate \$4.6 billion in economic activity annually, supporting local tourism and jobs. The San Francisco Chamber of Commerce supports SB 187 and your efforts to streamline the licensing process and open it up to more people to encourage growth in recreational fishing across the state.

Sincerely,
